HIGH IMPACT FITNESS AREAS

VIBRATION AND SOUND ABSORBING TILES

Apollo™ Fitness Tile is the ideal flooring solution for workout areas located above occupied spaces. This non-laminated, molded tile has superior vibration absorption and unparalleled noise reduction properties. The grid-back design of the 1" tile has been engineered to provide increased stability for cardio and weight lifting equipment. The 1.5" and 2.75" tiles provide additional sound reduction for free-weight areas.
